3.0 CONSIDERATION OF MEMORANDA`

3.1 APPLICATION FOR DEFERMENT OF ADMISSION – MISS OMOZUWA OSAMEDE SP.03(2019/2020)

Senate received and considered paper SP.03(2019/2020) which was an application for deferment of admission from Miss Omozuwa Osamede of the Department of Public Administration, Faculty of Social Sciences.

Senate noted that it was a case of temporary withdrawal and subsequently approved the application.

3.2 PERMISSION TO GO FOR MEDICAL TREATMENT IN THE UNITED KINGDOM - MISS MARVELLOUS OLUCHI OSAKUNI-OSSAI SP.04(2019/2020)

Senate received and considered paper 04/2019/2020) which was a request to go for medical treatment in the United Kingdom from Miss Marvellous Oluchi Osakuni-Ossai, a student of the Department of Business Administration.

Senate after exhaustive deliberation did not approve the request of Miss Marvellous Oluchi Osakuni-Ossai's to proceed for medical treatment in the United Kingdom because the medical report was fake. Furthermore, Senate directed that henceforth the Director of Health Services should liaise

with the Deputy Vice Chancellor (Academic) to establish a standard procedure for authentication of medical reports.

3.3 RESOURCE ASSESSMENT VISIT TO NEW ACADEMIC PROGRAMMES – SP.05/2019/2020)

Senate received and considered the report of a Resource Evaluation visit carried out by Panel of Experts to some proposed academic programmes of the College of Education Warri, in affiliation with the University of Benin with a view to assessing the human and material resources available for their establishment.

Senate noted that the Executive Secretary has approved only the establishment of the full time mode of the under listed programme to be run in the College effective from the 2018/2019 Academic Session.

Education/Computer Science, B.Sc (Ed.)

Education/English, B.A (Ed)

It was further noted that the approval did not cover the part-time mode of delivery of the programmes and that all programmes should bear only the approved titles and nomenclatures.

Senate after due consideration ratified the approval of the report of the Resource Assessment to the new academic programmes in the College.

3.4 APPEAL TO CONCLUDE MY CLEARANCE – MISS JUBILEE OSHIORIBHOR JOHN SP..06(2019/2020)

Senate received and considered paper 6(2019/2020) which was a request from Miss Jubilee Oshioribhor John that she should be cleared into the Direct Entry Programme of the Department of Linguistics.

It was revealed that her father died when she was very young and her mother changed their late father's name to reflect that of their step father.

She however reverted to her biological father's name and that led to the inconsistency in her documents.

Senate approved her request subject to the provision of a new sworn affidavit of the change of name.

3.5 A LETTER OF DEFERMENT – MR. ISEDE IKHIANOSIMHE SP.07(2019/2020)

Senate received and considered Paper SP.7(2019/2020) which was an appeal for deferment from Mr. Isede Ikhianosimhe of the Department of Curriculum and Instructional Technology, Faculty of Education. Mr. Isede was a spill-over student in the 2015/2016 Academic Session. He returned in the 2016/2017 Academic Session to complete his programme but was allegedly struck by an ailment which necessitated his pulling out of school for two Academic Sessions. Senate noted that there was no medical report buttressing his ailment as he claimed that he was treated in traditional healing home. Senate noted that he had exhausted his maximum period of study and consequently, his request was not approved.

3.6 HUMBLE REQUEST FOR HELP – EROMOSELE KENNETH ITUA SP.08(2019/2020)

Senate received and considered paper 08(2019/2020) which was a request to register three outstanding courses he needed to graduate. He was withdrawn from the Department of Chemical Engineering, University of Benin at 500 level in the 2014/2015 Academic Session because he had exhausted the maximum period for the programme. Senate noted that he did not route his application through the Head of Department and the Dean, Faculty of Engineering. Senate turned down his request for an extra year to register outstanding courses because he had spent the maximum years for the programme.

3.7 APPLICATION FOR A WAIVER TO BE CLEARED FOR A PH.D PROGRAMME IN UNIBEN – MRS. IMOUKHUEDE MERCY ORITSEGBUBEMI SP.09(2019/2020)

Senate received and considered Paper 09 (2019/2020) which was an application written to the National Universities Commission by Mrs. Imoukhuede Mercy Oritsegbubemi that she should be cleared without Mathematics into a Ph.D programme in Guidance and Counselling.

The National Universities Commission wrote to the Vice Chancellor informing the latter that the exercise of discretionary power to grant such a waiver was internal and the exclusive prerogative

of the University of Benin. The Commission further advised that it was not appropriate for the University to request the candidate to write to NUC for a waiver.

Senate frowned at the action of Miss Imoukhuede especially she had been previously counselled by various sources she sought for intervention. Senate was unable to grant her request because of the extant rule of the University.

3.8 APPEAL FOR AN EXTENSION OF MY STAY – MR. ACHUSIM CHIKE COLLINS SP.10(2019/2020)

Senate received and considered paper 10 (2019/2020) which was a request from Mr. Achusim Chike Collins, a student of the Department of Physics, Faculty of Physical Sciences. He appealed to be allowed to register and write six courses to enable him graduate as he had exhausted the maximum six years stay in the University. He attributed his inability to graduate at the right time to the protracted illness and subsequent death of his father.

Senate could not accede to his request because of the extant rule of the University of Benin

3.9 PERMISSION TO BE REINSTATED – MR. OKOH ONOCHILE CHARLES SP.11(2019/2020)

Senate received and considered Paper 11(2019/2020) which was an appeal for reinstatement from Mr. Okoh Onochile Charles, a student of the Department of Political Science. He was away for three Academic Sessions without approval of temporary withdrawal from the University. He stated in his letter that he had health challenges for three years, that is 2016/2017 – 2018/2019 and presented a medical report which was authenticated by the Director, University of Benin Health Services Department.

After much deliberation, Senate approved that Mr. Okoh Onochile Charles be granted an extra year to complete his studies on compassionate grounds.

4.0 CONSIDERATION OF RESULT

4.1 Improper Capturing of Students' Data

The discrepancy noticed in the names of students during presentation of results was raised by a member of Senate. It was suggested that an orientation programme be organised for new

Deans/Directors of Academic Units and Heads of Department to minimize these errors. The Vice Chancellor, while acceding to the suggestion, further enjoined the Deans/Directors/Heads of Department to meticulously deal with these problems emanating from their Faculties. She further directed the Director of ICT to ensure that the names of students sent to Faculties/Schools for use by Heads of Department and Course Advisers were properly vetted. Senate thereafter commenced the consideration of 2018/2019 examination results from Faculties:

7.1 Payment of School Charges by Students

The Dean of Arts, Prof. Eddy Erhagbe advocated the need for Management to be patient with students who could not pay school charges on time and sued for the resuscitation of Work Study Programme so that such indigent students could benefit. The Vice Chancellor promised to look into the matter.

The Director, Centre for Forensic & DNA Studies suggested that proper advice should be given to young students through Guidance and Counselling Unit to pay school charges before examination. The Vice Chancellor, while corroborating the statement, stated that Course Advisers should be made to handle issue of prompt payment of school charges and proper student guidance.
